Department of Education XII
City of Koronadal

Sir:

Greetings!

We would like to thank Department of Education XII for the incessant support it has accorded the PHILIPPINE SCIENCE HIGH SCHOOL-SOCCSKSARGEN REGION CAMPUS (PHS-SRC) these past four (4) years as we remain true to our mandate of honing the youth to become world-class Filipino scientists dedicated to nation building, through our secondary course offering with emphasis on subjects pertaining to Science, Technology, Engineering, Math and Research on a scholarship basis.

To further reach as many scholarship beneficiaries as possible in Region XII, may we once again seek for your support as we conduct our campaign/school caravan for the National Competitive Examination (NCE) for SY 2017-2018 from July to August, 2017, making this noble endeavor known to the community.

The NCE is open to all interested and qualified Grade 6 pupils and will be conducted on October 21, 2017. The deadline for submission of application is set on September 1, 2017.

We would like, then, to ask for your approval to conduct the campaign in all public and private elementary schools in Region XII from July 17 to August 2017, with specific schedules to be coordinated with the respective target schools. Our NCE campaign will not take longer than ten (10) minutes so as not to disrupt classes. Target participants shall be Grade 5 and Grade 6 pupils who are deemed to be at the top of their batch.

We look forward for your affirmative response on this regard. Thank you for your continued support to the PSHS thrusts and activities.

Very truly yours,
